

Dear Ladies and Gentlemen,

On behalf of ITE and on my own behalf, I welcome you to the 15th Jubilee Moscow International Exhibition and Conference for Transport and Logistics “TransRussia”.

TransRussia has been run since 1996 and for 15 years has been the largest industrial forum of Russia and CIS. This is the place for demonstration of the full range of transport services. The exhibition and the conference contribute to the development of new business contacts and strengthening of existing relationships, which is especially important in the current economic situation.

Long-term success of this event, to a great extent, depends on the support and assistance we receive. That is why I would like to express our special gratitude to the Ministry of Transport of the RF, Committee of the State Duma for Transport, Russian Railways OAO, Federal Agency of Marine and River Transport, Association of Russian Freight Forwarders and the Guild of Freight Forwarders of Russia for the support in organising this business event.

I wish productive work, financial prosperity and new reliable partners to all participants and guests of TransRussia.

General Director
